These quotes are created and developed out of inspiration and the experiences from the author, Brigitte Adofo Agyapong.
With sole purpose to motivate you.
Enjoy and Impact

`` Lead with purpose,
Grow in determination
and tranquility and
above all shape lives
too.``

``Life is full of ups and downs, the positives and negatives and the list goes on.``

`` Leading life is appreciable to attract yourself if you discover your inner self which is done through you.``

``Life is like a book filled with chapters, the good, bad, ugly, the happy, the sad and above all, it is a book of times.``

``Understanding your potentials can assist you in learning the capabilities with you.``

`` Knowing your capabilities will persuade and motivate you to find the opportunities around the capabilities you have found within.``

``Purpose is a driven force that makes you keep on going because you know who you want to be and why you want to accomplish your mission.``

``Opportunities are always available for those who are willing to push harder to discover life.``

``Creating a shaped
life is to know you.``

`` The definition and discovery of purpose is best enough to lead you in the journey of life.``

``The ability to identify existenance in life is the ability to identify passion.``

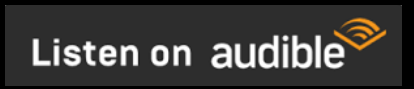

``Successful people
interbreed wisdom,
knowledge and love.``

``Endurance on passion pushes you to wait until you move to accomplish your goals in life.``

``Keep on going until
you reach where
purpose have
designated for you.``

``The mind is made with you in mind.``

`` Dreams can be bigger and higher by setting standards to move to accomplish them.``

``Let the light of your dreams shine like the sun and continue to gleam.``

``Inspiration becomes stronger when you design or programme your mind and keep nourishing them even in challenges.``

``The mind was created
with you in mind to
be used to make
profitable results
which will benefit
society and us.``

``Your subconscious mind controls all the vital processes of the body. It already knows the answers to your problems and how to heal you.``

`` Being in darkness
does not mean total
failure but an
elevation place to
push to the light.``

``Training your mind
is vital to assist you
in revealing the
perfect place to move
you into possibilities
and promotions.``

``Imagination makes it possible to experience a world inside of you``

``Fear is a state of the
mind not the state of
the menace``

``Know your staff and examine what matters to them in their career or personal life. Teach them the way, delegate and engage some of the tasks to them in order to assist them learn and grow.``

``Leadership means responsibility, not authority, and leading an explenary life to show others``

``Suggestions deals with emotions and the will power to create and develop ideas in our minds.``

``The mind is so powerful that it can make the best out of the worst in you or the worst out of the best in you. Use it well``

``Purpose defined,
Standard set.``

``You are the leader of your life.``
